The most important reason to stop a terrorist isn't the reward.

Terrorism kills innocent people in every walk of life. By providing information that prevents a terrorist act, you save lives, protect families, and preserve peace.

The United States is offering a reward for information leading to the arrest of persons engaged in terrorism. If you have information that can help, please visit www.RewardsforJustice.net or contact your local law enforcement agency.

REWARDS FOR JUSTICE

Washington, D.C. 20522-0303 U.S.A.
